NEWARK, OH (November 4, 2021) – [Cherry Valley Hotel](https://www.cherryvalleyhotel.com), Central Ohio’s premier hotel destination is pleased to announce two options for meals to take the stress out of celebrating Thanksgiving. The culinary team has expertly crafted a delicious menu for guests to pick up or for guests to dine with friends and family at Cherry Valley Hotel.

“The holiday season is a joyous and traditional time for people to come together and enjoy a meal with loved ones,” said Tim Norman, General Manager at Cherry Valley Hotel. “However people gather this year, we know offering different options for dinners are important.”
