Cherry Valley Hotel Celebrates the Reopening of The Craftsman Kitchen & Terrace

Elevated dining experience now open for guests at Cherry Valley Hotel

NEWARK, OH (January 20, 2022) – [Cherry Valley Hotel](#), Central Ohio's premier hotel destination welcomes back The Craftsman Kitchen & Terrace to the Hotel's diverse selection of dining options for guests and the local community. The Craftsman Kitchen & Terrace is now open Thursdays, Fridays, and Saturdays, and although reservations are not required, they are recommended. The Craftsman joins a variety of dining experiences, including Homestead Public House, The Igloo Dining Experience, and The Lobby Bar.

"A diverse selection of dining options enhances our hotel guest experience," said Tim Norman, General Manager at Cherry Valley Hotel. "The reviews were excellent during the first launch pre-covid. We so look forward to welcoming back people to this community destination."

The Craftsman Kitchen & Terrace is a stylish eatery with excellent customer care featuring a new American menu highlighting Ohio-raised all beef burgers, hand-made brick oven pizzas and fresh pasta. Culinary delights such as the Chicken Piccata, Grilled Ribeye and The Craftsman Pasta with hearty meatballs served in a kitchen crafted red sauce are among some of the elevated fares. Cocktails at The Craftsman are classically inspired with a stately twist and feature a Blueberry Mule and The Craftsman Old Fashion. The indoor atmosphere is intimate and stylish with comfortable seating and large windows overlooking the gardens. Guests can enjoy The Craftsman's unique outdoor terrace during the warmer months with views of the beautiful landscaping, ponds and waterfalls.
